

# PRE-CLOSING QUESTIONNAIRE

## COVID-19 Preventative Screening

First Integrity Title is dedicated to minimizing the spread of COVID-19 and mitigating the exposure to you, our staff, our vendors, and our office locations. We will be taking extra precautions and steps to ensure all of our customers and staff are not put at unnecessary risk by asking the questionnaire below prior to all closings held with our company.

Please answer the following questions prior to scheduling your closing. If you answer **YES** to any of the questions below, closing will not be held at a First Integrity Title office location or with one of our mobile notaries. Please reach out to your escrow team to discuss alternative closing options.

If the answer is no to all of the questions below, closing can be scheduled at a First Integrity Title office location. We ask that only members of the party required at signing are present to eliminate extra people in our offices.

1. Have you self quarantined based on a government or doctor recommendation or order?
2. Have you had close contact with or cared for someone diagnosed with the COVID-19 within the last 14 days?
3. Have you returned from a cruise trip or any of the countries with travel restrictions listed on the CDC website within the last 14 days? Visit <http://bit.ly/CDCWorldMap> for the most up-to-date list.
4. Have you experienced fever, cough and/or shortness of breath in the last 14 days? Symptoms can also include sore throat, respiratory illness, and difficulty breathing.

Thank you for understanding! We are grateful for the continued opportunity to serve and provide the safest closings possible. Please contact your escrow team or account manager for additional questions.
